

Dear Parent/s,

As part of our commitment to providing your child the best early learning experience, we're proud to announce **Kindyhub** to our Early Learning Service!

Kindyhub is a digital communication tool, allowing us to easily share your child's early learning experience with you at the end of each day. Our educators capture your child's achievements throughout the day via Kindyhub with photos, notes and stories. Kindyhub saves us time, in-turn allowing us to spend more time with your child.

As a parent, you (and your chosen relatives) will have a secure private login to access a snapshot of what your child does throughout the day via email or the Kindyhub smartphone Parent App. This will be sent to you with photos, a daily report from your child's group and the learning outcomes they met.

The key with Kindyhub is to ensure it compliments the face-to-face communication we already have when you visit us. Our face-to-face communication is undeniably one of the most important aspects of maintaining great relationships between our educators and your family. Kindyhub is here to enhance communication and provide the parents that are unable to visit us with photos and information about the child. For further information regarding Kindyhub you may visit [www.kindyhub.com.au](http://www.kindyhub.com.au)

We require your written consent to use your personal information for the communication. Please promptly complete and sign the 'Parent Permission' form attached. If you would **not** like to receive this communication please discuss with our Centre Manager as soon as possible.

We would love your feedback and any suggestions you may have to improve communication and parent engagement.

Thank you,

Centre Manager
